Our Environmental & Quality Assurance

Big impact on kids' happiness...

Little impact on the environment.

Our products provide our future generations with so much fun and joy as well as a greener future for generations to come. We are committed to a circular environment where environmentally sustainable printing and fully recyclable packs are at the heart. Better for the kids of today and tomorrow.

We take quality and the environment seriously, that is why all our printing is completed to both ISO9001 Quality and ISO14001 Environment standards.

You can be assured you are receiving the highest quality products available. Color proficiency and print quality are continually monitored to ensure a premium product.
